

ADDENDUM No. 1

Date: 29 January 2024

Pages: 01

Subject: Addendum 1: EOI AM-10757 Review of Hospital-based Counselling and Social work Services in Fiji.

Prospective Tenderers are advised of the following:

This addendum is available to all potential tenderers and consists of an answer to questions raised on Wednesday, January 24, 2024 via email.

Question 1:

Technical criteria 1a seems to be missing a word? Is the EOI seeking expertise in "delivering or reviewing (or evaluating?) counselling and/or social work services"? or is it only interested in experience delivering such services?

Answer 1:

We are interested in hearing about any experience reviewing/ evaluating counselling or social work services. If an organisation/ individual does not have specific experience in reviewing/ evaluating counselling or social work services, they can provide examples of relevant experience reviewing/ evaluating public health services and/or mental health services.
